

NATIONAL HOSA COMPETITIVE EVENTS CODES

HOSA members are encouraged to take full advantage of the National HOSA Competitive Events Program, a constantly expanding and improving series of healthcare-related competitive events. At the 2012 NLC, HOSA is sponsoring 48 REGULAR events and 8 RECOGNITION events.

Code designations for event registration are listed below. Make sure that you are using the appropriate code to enter your student into the correct event. The wrong code **will** enter your competitor into the **wrong event**, therefore, causing great confusion at orientation. If you have any questions about the event code, please contact your state advisor. These codes must be properly entered on the registration online.

HOSA members may enter only one competitive event at the HOSA National Leadership Conference. In addition, competitors may participate in as many Recognition Events as they wish.
