

EDUCATIONAL SYMPOSIUM

Every year, HOSA offers outstanding workshops for conference delegates.

Professionals are needed to offer sessions of interest to future health care professionals and Health Occupations Educators. HOSA provides the meeting space and attendees, you serve as a workshop presenter. Our workshops are usually well attended and our students are eager to learn. Association Partners are asked to provide workshops as part of the Association Partnership agreement.

If you have questions, please contact Dennis Van Peeren at 972- 874-0062.

Sample Workshop Topics

- Orthotics & Prosthetics
