

OUTSTANDING HOSA CHAPTER

- Purpose:** To encourage all HOSA chapters to plan yearly activities in keeping with the goals and purpose of HOSA as described in the national handbook. To encourage the development of local chapter activities that benefit HOSA members, the school, and the community. To provide documentation of the chapter's activities at the local level and to give recognition to those chapters who fulfill these aims and purposes to the highest degree.
- Description of Event:** The Outstanding HOSA Chapter event is a scrapbook prepared by HOSA student members describing the chapter's yearly program of activities that are consistent with the purpose of HOSA. It must include such items as: verification of membership, officers, local activities participation, state participation, and community activities. **The competitor will turn in the notebook at the orientation and leave it to be judged without the competitor being present.**
- Dress Code:** Competitors must be in official HOSA uniform or in proper business attire for the orientation and event display. Five bonus points will be awarded for proper attire.
- Rules and Procedures:**
1. The scrapbook (limited to one entry per chapter) must be brought to the competitive event orientation by one student and turned in to the Event Manager. The student who turns in the scrapbook will be any eligible member from the winning chapter at the state level. **Only one student should be registered for the event.**
 2. Scrapbooks will be judged using the event rating sheet. Competitors will not be present during the judging. Competitors must be present during the Showcase where their scrapbook is on display for viewing by National Conference delegates. Competitors must take scrapbooks with them at the conclusion of the Showcase.
 3. All entries must be submitted in an official HOSA scrapbook (OC Scrapbook - SCB100) and pages from Awards Unlimited, which may include sheet-protected pages from Awards Unlimited.
 - Note: Sheet protectors must not obscure the materials to be judged.
 - Lamination may **NOT** be used.
 - Five points will be added when the official notebook and pages are used.
 - This book is limited to 100 pages or less, with only one side of the page being used.
 - **The pages must be numbered sequentially.** ONLY the first 100 pages will be judged.
 4. Each scrapbook must have a cover page with the following information:
 - Name of Chapter
 - Type of program (secondary or postsecondary/collegiate)
 - Name of School
 - City, state and zip code
 5. Activities will be judged in sequential order, which is the order listed on the judge's rating sheet. **Activities (summaries, photos, materials, etc.) must include the label number and letter from the rating sheet, and a descriptive label, for each content area on the rating sheet.** Additional activities may be presented but not judged. The label numbers and page numbers do not coincide.

6. One judge will rate the scrapbook. All scrapbooks within 10 points of the highest possible score in the event will be reviewed by a second judge. The second judge will re-judge only areas on the rating sheet where points were not awarded. The final score will be determined by the second judge.
7. Any activity or program may be claimed and judged in only one (1) category. EXCEPTION: Publicity. Publicity items may be the publicity from previously documented chapter activities.
8. All material must be the work of a chapter member or members. All content must be typed or clearly handwritten. Photocopies may be used.
9. The scrapbook will contain materials from the conclusion of the NLC until the beginning of the next NLC.
10. Content clarification – A section must meet the whole standard to earn the point. When a section lists information that **MUST** be included, all information must be provided as described or zero points will be awarded.

Example: Copy of minutes of meetings (Must include minutes from at least 3 meetings, may include more if desired.)

In the above example, a point would not be awarded if minutes from only two meetings are provided.

When a section lists information that **MAY** be included, the chapter has flexibility in how the information is to be provided.

Example: Written summary: May include date of activity, description of activity, and exact number of chapter members participating.

In the above example, the written summary is required to earn one point, but the details of what the summary includes may vary.

11. **All scrapbooks that earn 95% or higher of the total possible score will be recognized with a chapter plaque as an Outstanding HOSA Chapter.** At the National level, the maximum score possible is 63 plus 5 dress points and 5 scrapbook/pages points for a total of 73 points. Five(5) additional points will be awarded for competitors who sit with their scrapbook during the Showcase, for a total of 78 points. A 95% score is 74 out of 78 points. At the state level, Section 9 (State Leadership Conference) is not judged and a mandatory display may not be held, therefore, the standard for recognition is 64 out of a possible total 68 points (activities score plus dress points and scrapbook/pages points.)
12. All state Outstanding HOSA Chapters are eligible for national competition. Any member of the winning chapter may present the scrapbook at the NLC.
13. All scrapbooks will be on display at the National Leadership Conference as noted in the conference program to be viewed by conference delegates. Competitors will be **required** to sit with their notebooks during the HOSA Showcase. At the conclusion of the Showcase, competitors will take their scrapbooks with them. All competitors who attend the Showcase will be awarded 5 bonus points.

14. Competitors must be familiar with and adhere to the "**General Rules and Regulations of the National HOSA Competitive Events Program.**"

Required Personnel (Per Section):

1. One Event Manager per event
2. One Section Leader
3. Two Courtesy Corps members
4. One judge per scrapbook
5. One floating judge per section

Facilities, Equipment & Materials:

1. National HOSA will provide a private room with tables and chairs for judging. Multiple sections will be conducted in the same meeting room.
2. Competitor appointment cards will have the time for the scrapbook viewing.
3. ID Labels with competitor numbers for scrapbooks

EXAMPLE FOR USING SECTION LABELS

- All items in the scrapbook that are to be judged **MUST** include the label number assigned on the rating sheet.
- When more than one item is present for a specific section, the label number/letter is repeated as needed.
- The labels will help judges locate the content to be judged.

For example, a written summary of a chapter's Installation of New Chapter Officers might begin:

6A Installation of New Chapter Officers: Eight new HOSA officers were installed at Jones High School on September 19, 2005, in the Health Science Classroom.....

A descriptive label of a photo for this same section might show a HOSA member holding a candle with the caption:

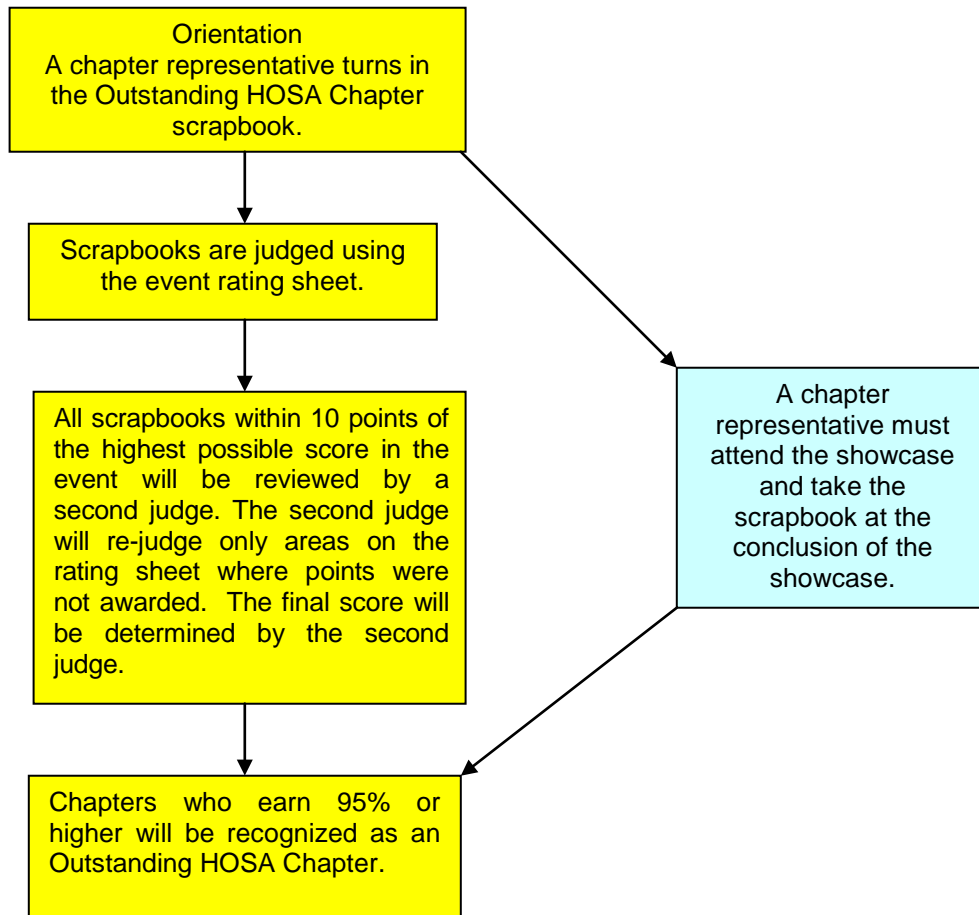

6B Jeff Smith is installed as the Jones High School HOSA Historian for 2005-06. (Then 6B...6B....etc. for additional pictures/materials.)

ALL PHOTOS AND SUPPORTIVE MATERIALS MUST INCLUDE A DESCRIPTIVE LABEL (CAPTION). Credit will not be given for photos or materials that are not properly labeled. There is no limit to the number of pages with the same label, or the number of different labels that can be included on the same page.

Reminders:

- Did you include page numbers? You **MUST** number the pages of your scrapbook.
- Did you include a descriptive label (caption) for EVERY photo and all supportive materials? Photos **MUST** be labeled, and must include the correct label number.
- Did you use the official notebook and pages?
- Did you place information on ONE SIDE of the page only?
