Extemporaneous Health Poster

New for 2019 – 2020

The 2019-2020 membership year will be the last year that Extemporaneous Health Poster is offered for all three membership divisions – it is still open to all Middle School, Secondary, and Post-Secondary/Collegiate members. Beginning in 2020-2021, the event will move to the Middle School division only, and a replacement event will be introduced for the SS/PSC divisions. The pre-scoring of top 20 posters has been removed. Editorial updates and clarifications have been made to guidelines. The event rubric has been updated to a new format. Competitors will not be required to show event guidelines at ILC.

Purpose: To encourage HOSA members to improve their ability to analyze and interpret current health / HOSA-related issues and to communicate this interpretation through the development of a creative, artistic, and informational poster.

Description: This event shall be in the form of an individual creation of a poster conducted in a setting with work tables and sufficient space for each competitor to carry out his/her form of artistic expression, to be completed within three (3) hours of work time.

Dress: Competitors must be in official HOSA uniform, proper business attire, medical scrubs, or polo and khakis. Bonus points will be awarded for proper dress.
