Earning a degree can help you build or advance your career in health care. Partner Plus, powered by Learning House, can help. We will assist you in finding the school and program that works with your educational goals and career aspirations. From application to graduation, we'll be with you every step of the way.

**Advantages of Partner Plus**

Some of the advantages of the Partner Plus program include:

- **Tuition reduction.** HOSA has negotiated a 10% tuition reduction at any of the participating colleges, so you can earn your degree for less.

- **Multiple schools to choose from.** There are a number of not-for-profit, brick-and-mortar colleges and universities participating in the Partner Plus program, so you can find the high-quality education that is right for you.

- **Customized to meet your needs.** Because Partner Plus includes a number of colleges, you can find the one that meets your needs. Plus, choose from more than a dozen programs, depending on your goals.

- **A convenient format.** Designed to work around your schedule. All of our programs are offered 100% online, so you can study while still managing your work and personal commitments.

- **Support when you need it.** Our education counselors will work with you to help you find the school you want, understand the enrollment process and even offer support during your program.
