

Biomedical Debate

Editorial updates and clarifications have been made to guidelines.

- Description** This event will consist of a Round One written test and a Round Two debate round. The topic for both rounds will be announced annually. The debate round is a values debate, thus the topic is value-laden. Teams of 3-4 members will participate in the Round One written test. Written test will measure knowledge and understanding at the recall, application or analysis levels. Higher-order thinking skills will be incorporated as appropriate.
