

ILC 2018 - Appointment Times Process Change

*In the past, appointment report times for Competitive Events were distributed in hard copy to each competitor at each applicable event orientation. This year, hard copy appointment times WILL NOT be distributed in hard copy to each competitor. Instead, appointment times for all applicable events will be posted to the HOSA website on **Wednesday morning, June 27th**. A push notification will also be sent to the HOSA ILC app when times are posted.*

Competitors should check the listing online to see what time they are scheduled to report for their given event. If a competitor does not have access to the internet, a hard copy listing will be available at the event orientation and also in Competitive Events Headquarters.
