

Human Growth & Development Knowledge Test

New for 2016– 2017

Test questions will be taken from new editions of Simmers DHO: Health Science 8th edition and Journey Across the Lifespan: Human Development and Health Promotion 5th edition.

- Purpose:** To encourage HOSA members to explore and learn about the stages of human growth and development, including the biophysical, mental/cognitive, social, and emotional development in the health community.
- Description** The event shall be a written test requiring competitors to apply, analyze, synthesize and evaluate information related to human growth and development in a 100 item multiple choice test plus one tie-breaker essay question. Written test will measure knowledge and understanding at the recall, application or analysis levels. Higher-order thinking skills will be incorporated as appropriate.
- Dress Code:** Competitors must be in official HOSA uniform or proper business attire. Bonus points will be awarded for [proper dress](#).
- Rules and Procedures**
1. Competitors in this event must be active members of HOSA-Future Health Professionals, in good standing in the division in which they are registered to compete (Secondary or Postsecondary/Collegiate).
 2. Competitors must be familiar with and adhere to the "[General Rules and Regulations of the National HOSA Competitive Events Program \(GRR\)](#)."
 3. One essay question will be administered with the original test. In case of a tie, the essay question will be judged and used to break the tie.
 4. The test plan and resources for the Human Growth & Development Knowledge Tests are:
