

# Behavioral Health Knowledge Test

## ***New for 2018-2019***

Discovering Psychology: The Science of Mind Third Edition has been released. For information about what happens to the tests when a new edition of a resource is released, please see [GRR item #50](#).

At ILC, [photo ID](#) must be presented prior to competing.

- Purpose** To encourage HOSA members to explore and learn about the promotion of mental health, resilience and well-being; the prevention and treatment of mental and substance use disorders; and the support of those who are in recovery, their families and the health community.
- Description** The event shall be a written test requiring competitors to apply, analyze, synthesize and evaluate information related to behavioral health. Competitors will recognize, identify, define, interpret and apply behavioral health terms and concepts in a 100 item multiple choice test plus one tie-breaker essay question. Written test will measure knowledge and understanding at the recall, application or analysis levels. Higher-order thinking skills will be incorporated as appropriate.
- Dress Code** Competitors must be in official HOSA uniform or proper business attire. Bonus points will be awarded for [proper dress](#).
- Rules and Procedures**
1. Competitors in this event must be active members of HOSA-Future Health Professionals and in good standing in the division in which they are registered to compete (Secondary or Postsecondary/Collegiate).
  2. Competitors must be familiar with and adhere to the "[General Rules and Regulations of the National HOSA Competitive Events Program \(GRR\)](#)."
  3. One essay question will be administered with the original test. In case of a tie, the essay question will be judged and used to break the tie.
  4. The test plan and resources for the Behavioral Health Knowledge Test are:
    - The Mind (including Biology, Sensation, Perception, Consciousness, Motivation, Emotion, Learning and Memory) 25%
    - Psychological and Behavioral Health Disorders, Treatments, Therapies and Services (including Autism, ADHD, Schizophrenia, Bipolar, Depression, Anxiety, OCD, PTSD, Personality, Dissociative and Eating Disorders) 25%
