Competitors will create their online profile by-visiting – www.stempremier.com/hosa

- A. The main purpose for the partnership with STEM Premier is two-fold: (1) to provide the HOSA member with a permanent, professional online portfolio to share with universities and future employers and (2) to obtain valuable analytical membership data for HOSA, including demographic, academic, and career interest

information. Entities, outside of HOSA, CANNOT access this information without explicit member permission.

- B. Competitors must create a profile and upload a .pdf of their Student Eligibility form to the Life Support Skills competitive event opportunity on STEM Premier. Detailed instructions for doing this are in step f below or available at www.hosa.org/STEMPremier.
- C. The size limit for any files uploaded to STEM Premier is 2.5 MB. To avoid an upload error, please be sure to save your .pdf as a compressed file or reduce the size of your embedded images. For instructions on how to do this, please visit: <http://www.hosa.org/filesize>.
- D. Competitors only need to upload their Student Eligibility form once to STEM Premier. This ONE upload will be sufficient all three levels (regional, state, ILC) of competition.

State Advisor’s Responsibility: The State Advisor is responsible for submitting this entire completed form to HOSA by midnight Eastern Standard Time on May 15, 2019. The form will be submitted via the ILC Special Activity online form. If you did not have competitors in this event at your state conference, write “none” across the form and submit it. One form for each of the four special needs events (LSS, IS, PC, and SS) will be required.

Process:

- The State HOSA Advisor will be able to view individual student eligibility forms submitted from competitors for the regional/state conference in STEM Premier.
- The state should implement a state-level process for determining what requested accommodations (from SECTION 2 above) will or will not be provided at state conference(s).
- The State HOSA Advisor or other Competitive Event leader from the state/chartered association level, who is familiar with the details of the event, completes this form.
 - Ideally this form will be completed on-site, during competition, so as to provide an accurate record of what accommodation was given to each competitor in this event.
 - List ALL competitors registered for this event at your state conference (make copies of this page as needed)
- What accommodation WAS ACTUALLY PROVIDED at the state conference? Please be specific and explain. If nothing different was done for this competitor, please write, “none.”

Competitor Name & School	Accommodation Provided at SLC

<i>Jane Doe – DEF Career Center</i>	<i>Clarified directions for competitor when asked</i>

For competition at the ILC, HOSA will provide the same accommodations that were provided at the state/chartered association level, within reason.
